Of the major organizations, D/OS chairs the Personnel
Security Committee, DD/PTS chairs the Technical Surveillance
Countermeasures Committee and C/Technical Security Group chairs
the Countermeasures Subcommittee. OS also provides one person
on rotational assignment to the Community Counterintelligence
and Security Countermeasures Staff (CCISCMS) which performs
some, but not all, staff functions for the IG/CM(P) and
IG/CM(T). We find all of the above groups to be of continuing
value. The parallel Interagency Group/Counterintelligence
receives its Agency representation from CI Staff.
